List of Opportunities

Edit / Delete Volunteer Opportunity

Timecard display

Ad space

Delivery Features

Add Volunteer Opportunity Recycler view

Email Volunteer Admin Capabilities

List of Opportunities

Timecard display

Challenges

Client was not invested throughout development process

Github growing pains - a few of us had trouble pushing changes at first

Populating recycler view post volunteer opportunity save

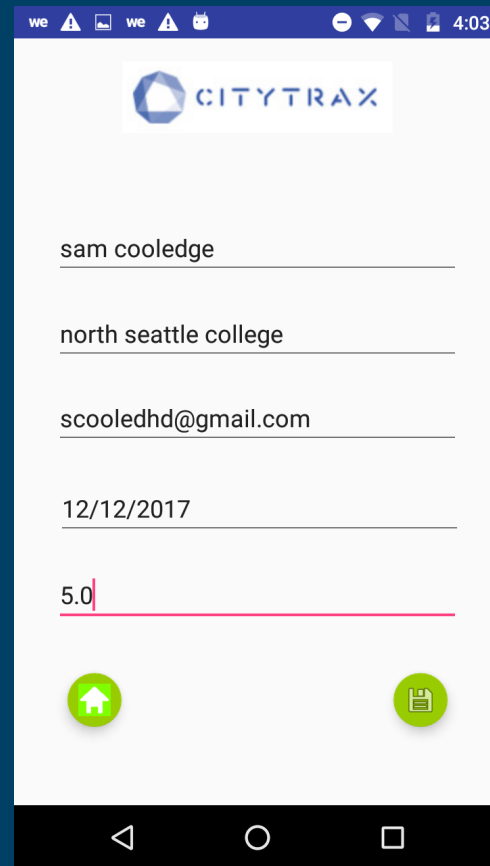

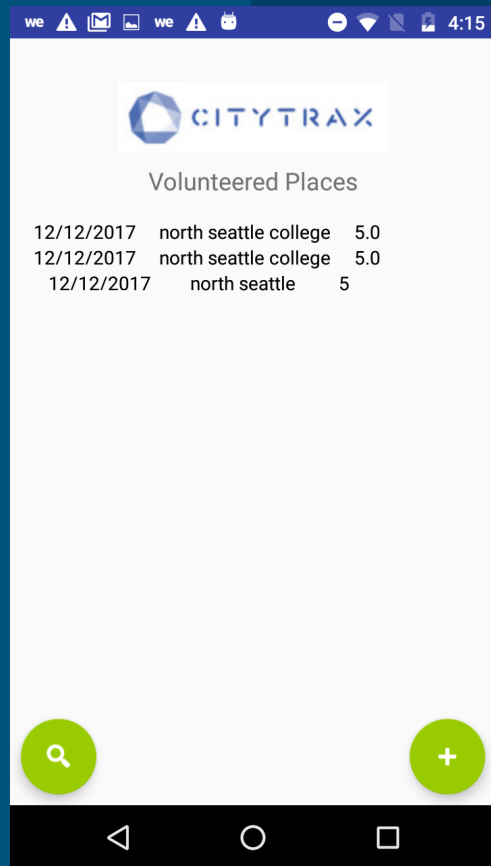

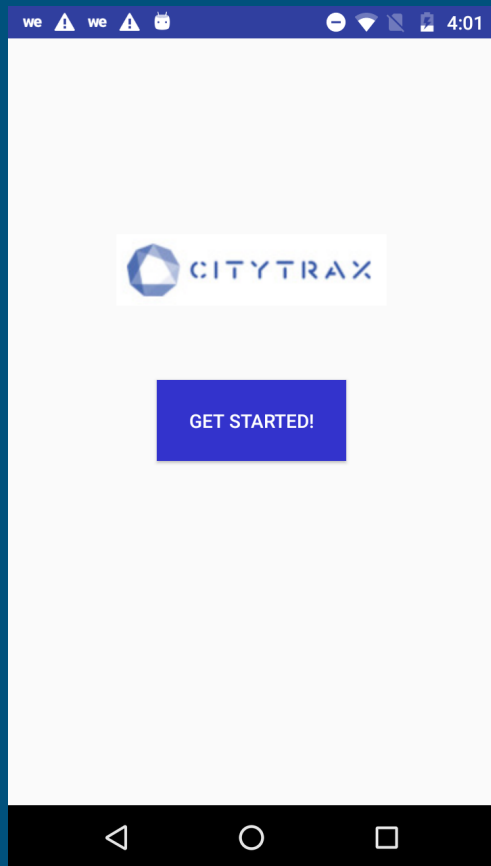

Unfinished Features

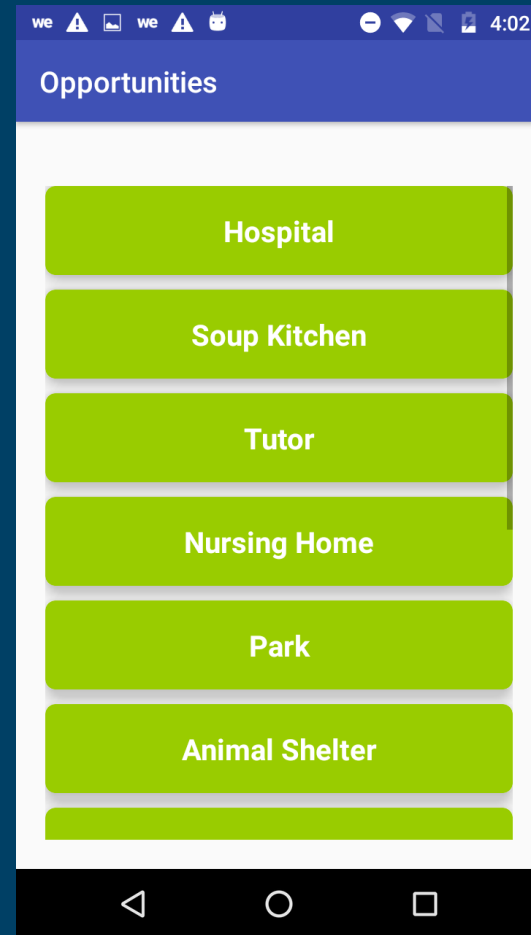

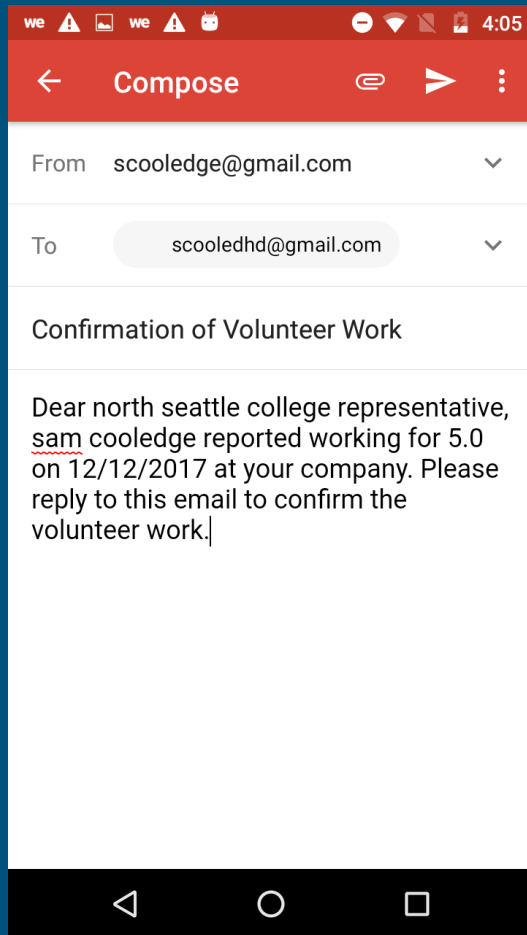

Ad space (banner)

Have not yet published to Play store

Stop watch

Lessons Learned

To implement RecyclerView and to
implement click listener for each item

To use GitHub properly
